ACS Material Recovery Facility

MRF · Transfer/Processing

|                        |                       |
|------------------------|-----------------------|
| Total Inbound          | Total Outbound        |
| 13,312.5 tons          | 13,488.5 tons         |
| Diversion Rate ↗ 78.0% |                       |
| Disposed               | 2,933.3 tons          |
| Diverted               | 10,379.2 tons         |
| Mass Balance Variance  | 4,548.2 tons          |
| Primary Destination    | ACS Disposal Facility |

ACS Transfer 2

Transfer · Transfer/Processing

|                        |                       |
|------------------------|-----------------------|
| Total Inbound          | Total Outbound        |
| 6,518.8 tons           | 6,357 tons            |
| Diversion Rate ↗ 69.0% |                       |
| Disposed               | 2,021.8 tons          |
| Diverted               | 4,497 tons            |
| Mass Balance Variance  | 1,259.6 tons          |
| Primary Destination    | ACS Disposal Facility |

ACS Transfer 3

Transfer · Transfer/Processing

|                        |                       |
|------------------------|-----------------------|
| Total Inbound          | Total Outbound        |
| 17,515.6 tons          | 17,507 tons           |
| Diversion Rate ↗ 70.9% |                       |
| Disposed               | 5,103.5 tons          |
| Diverted               | 12,412.1 tons         |
| Mass Balance Variance  | 0 tons                |
| Primary Destination    | ACS Disposal Facility |

ACS CDD Recovery

CDD Processing · CDD Processing

|                         |                       |
|-------------------------|-----------------------|
| Total Inbound           | Total Outbound        |
| 3,718.6 tons            | 3,718.6 tons          |
| Diversion Rate ↗ 100.0% |                       |
| Disposed                | 0 tons                |
| Diverted                | 3,718.6 tons          |
| Mass Balance Variance   | 3,718.6 tons          |
| Primary Destination     | ACS Disposal Facility |

ACS Compost

Composting · Organics Processing

|                         |                       |
|-------------------------|-----------------------|
| Total Inbound           | Total Outbound        |
| 8,957.1 tons            | 8,137.6 tons          |
| Diversion Rate ↗ 100.0% |                       |
| Disposed                | 0 tons                |
| Diverted                | 8,957.1 tons          |
| Mass Balance Variance   | 0 tons                |
| Primary Destination     | Jackson Soil Products |

ACS Disposal Facility

Landfill MSW · Disposal

|                       |                |
|-----------------------|----------------|
| Total Inbound         | Total Outbound |
| 11,945.7 tons         | 0 tons         |
| Diversion Rate ↘ 0.0% |                |
| Disposed              | 11,945.7 tons  |
| Diverted              | 0 tons         |
| Mass Balance Variance | 11,945.7 tons  |
